YOUTH CENTER FUND DRIVE

Parents and prospective parents, if you really want to do something worthwhile, this is your chance. On October 8th the Bay St. Louis Youth Center started its annual drive for funds to operate during the ensuing year and this is where you come in.

Your contribution to this worthy cause now could mean the difference between a juvenile delinquent and a boy or girl today, who could be the leaders of your community in the future.

We can assure you that the teenagers receive tremendous benefits from your contributions. The local club has been running to full capacity through the summer months and is used and enjoyed throughout the entire year.

Through the cooperation and united efforts of many of our good citizens, many improvements have been made and many types of entertainment, such as a new record player, new television set and others have been added to add to the pleasure and enjoyment of the youngsters.

Only this once during the entire year are you asked for donations to this cause, and we feel that your contribution, large or small, will be most welcome and will be wisely and constructively used for the betterment of the youth of our community.

The Teenage Club is open always to parents and visitors, and the youngsters are most happy to have an opportunity to show their parents just what is being done.

In sending your contributions make your checks payable to the Bay St. Louis Youth Center. The goal set for this drive is \$1500.00.

COLUMBUS DAY, OCT. 12

In his lifetime Christopher Columbus received little recognition for his discovery of a new world—so little, in fact, that the lands he found were named after somebody else. But today, 464 years later, Columbus is honored in all the nations of the western hemisphere on the anniversary of his discovery, October 12.

Mrs. G. C. Romanoff, president of American Legion Auxiliary feels that Columbus Day is a fitting occasion on which to stress inter-American ties and friendship.

Mrs. Romanoff urges the schools and organizations to join in community expressions of good will toward our neighbors on that day.

Edward Heath, Junior, was taken suddenly ill Monday and is hospitalized.

Although the water up Jordan River was bad from so much rain of last week numerous sheephead and drum of various sizes were caught. With no more rain the water should clear up fast and some good fishing can be looked forward to this weekend.

Martin Okrasinski of Baltimore, Md., who has visited relatives here for several years returns home Friday after enjoying his vacation here and doing quite a bit of fishing. He caught a big drum that he can tell the folks back home about.

We think this is something new around here. Skin diving! Police officers Patrolman Donald Souvick, Patrolman Edward Cimino and Patrolman Fred Thorne, equipped with complete gear, air tanks, weights, spear guns, etc., went out along the R. R. Bridge to try their luck at spearing sheephead. They were not so lucky as the water was too muddy for them to see their prey. They are real enthusiasts at skin diving and said they would return to the Bay real soon! Yours truly may go with them only as a look-er-on!

Some small reports have come in regarding the squirrel season which opened last week end. More on this later.

The lady golfers at Pass Christian Isles Golf Course are really going to town with golf tournaments and ladies day and participating in mixed foursomes. The girls are really serious and have a good time to boot!

ROCKS SWAMP PICAYUNE 247

The St. Stanislaus Rocks swamped the Picayune Tide, 247 to 24, at the Rockchaw stadium last Friday night at 8 o'clock.

Highlighting the first period was a 66 yard drive beginning with the opening kickoff, and ending with a one yard touchdown plunge by halfback Billy Rhodes for the first Stanislaus tally. Alfredo Vasquez attempted the conversion, but failed.

The Rocks then kicked off to the Tide, but, after a few unsuccessful plays, fumbled the ball, and SSC recovered. However, the Rocks were unable to move and were forced to punt. The first quarter of play ended 8-0 in favor of SSC and with Picayune in possession.

However, in the second period, following a 15 yard penalty, the Tide was forced to kick. Stanislaus took the ball, but fumbled. Picayune then took over, but they too fumbled, and Stanislaus took over on the Picayune 10. Four plays later, quarterback Kenny Artigues passed 7 yards to Wayne Theriot for the second touchdown of the ball game. The conversion attempt failed and this ended the scoring for the half.

In the closing minutes of the third quarter, the Rockchaws, having taken the ball on the Picayune twenty, drove downfield for 80 yards, climaxed by a 15 yard end run for the score by Billy Rhodes. The extra point attempt failed and at the end of the three quarters of play, the Rockchaws led, 18-0.

In the final period, Stanislaus rolled along to their fourth TD of the game. This time it was on a 20 yard pass play from Artigues to Vasquez. The attempt at the conversion failed, and the Rocks went ahead, 24-0.

The only Picayune touchdown came in the last quarter, when Gerald Seals intercepted an aerial from Herman Jacob, and scampared 65 yards along the sidelines for the score. This ended the scoring for the night and, at the final gun, the score read, Stanislaus, 24, Picayune, 7.

Mrs. Adeline Samuel gave a most interesting talk Tuesday evening at the October meeting of the Bay High PTA. Mrs. Samuel, who was the principal speaker of the evening, spoke on the "United Nations." She was introduced to the audience by Mrs. Paul Miller of Bay St. Louis who praised Mrs. Samuel for the many contributions she has made to the community. We are all indeed proud to know that Dr. and Mrs. Samuel belong to Waveland.

Don't forget to attend the Waveland Youth Center this Friday night! If you rock and rollers didn't know before, we're letting you in on it now—there are some new records going to be added to the top twenty, and it is a sure thing that you are going to enjoy dancing to them.

Mrs. Willye Lawhead and her granddaughter, Miss Tommie Jane Lawhead, of Monroe, La., are spending one week in Waveland as guests of Mr. and Mrs. Harold Hicks and Mrs. Addie Walker. Mrs. Lawhead is the sister of Mrs. Walker.
